Norman finishes his paintings with acrylic and wax. This brings out the highlights of the watercolour. His future aim is simply to keep leaving footprints and keep painting memories.

Passionate backpacker and painter, Norman paints mainly from memory influenced by challenging conditions and colours.

His preferred media, watercolour on Mica.

Not an easy technique to master but he finds a smooth surface of Mica enables him to capture movement and atmosphere which has been instrumental in achieving some award winning works.

Kim & Maggie Davis

Kim and Maggie live and work in The Marches area bordering the Herefordshire, Shropshire and Wales.

Maggie is a Mixed Media Artist working on paper and cloth producing vibrant visual art that hopefully resonates with the viewer. The three pictures below are from a new body of work based on the Outer Hebrides which Maggie will be showing at h-Art and The Secret Severn Art Trail. She is a member of Ludlow Art Society, Hereford Art & Craft Society and Head to Art Collective and shows throughout The Marches and bordering counties.

Kim is a wood turner working with both native and more exotic hardwoods, producing tactile vessels and forms in a constant search for that perfect piece. The simplicity of vessel forms created display the grain, natural and stained colour of the woods being used, function becomes peripheral. His creating is a response to the nature of the wood and is intuitive and emotional. Kim's working philosophy is; *'From the hands of the artist to the heart of the beholder'*.

Maggie and Kim will be showing at h-Art at h.Art@leintwardine, St Mary Magdalene Church, Leintwardine, SY7 0LB 7th – 15th September

Also Secret Severn Art Trail at Footprint Gallery, Jackfield, Tile Museum TF8 7AP 6th – 16th September

Kim is also a member of The Artists Gallery, The Ludlow Farm Shop, Ludlow, SY8 2JR who are also taking part in h-Art.

Discover what makes the Cardiff Christmas Market so unique

Cardiff Christmas Market 2024

Thursday 14 November to Monday 23 December

Trading Hours:

Monday to Saturday 10am to 6pm

Sunday 10am to 5pm

Craft*folk have organised and developed the Cardiff Christmas Market in the pedestrian heart of Cardiff City Centre for 30 years. We continue to be committed to providing a platform for artists, crafts people and food and drink producers to exhibit and sell their exceptional work directly to the general public. In today's economic climate it is more important than ever to protect our arts and crafts heritage, to ensure that there is always a place in retailing for originality and diversity. We hope that this is one of the reasons why our Christmas Market has been featured among the best top ten markets in the UK for the many years.

Our beautifully decorated wooden stalls are located outdoors in St John Street, Working Street, Trinity Street and Hills Street. These pedestrian streets are very wide and so present no problem in allowing everyone to browse and shop safely. Not everyone takes part for the full event so you will find new exhibitors work to browse, interspersed among those with us for the full event, making the market an interesting place to visit every week.

Unlike the Christmas Markets you may find in other cities, when you visit Cardiff, you can be assured that you will be purchasing

original work from each and every one of our talented makers: bespoke silver jewellery, wooden turned gifts, original artwork across all mediums, beautiful fused glass work, hand-thrown ceramics, handmade quilts and textiles and luxurious creams and candles to name just a few, combined with a variety of seasonal food and alcohol producers to create a vibrant Christmas atmosphere. You can also chat with them about their work, the making process, and discuss commissions if you wish.

Whilst we welcome returning exhibitors none of them rest on their laurels. As their craft is also their business, they are always creating new pieces of work thus ensuring that their stalls always look fresh and innovative. You will also see lots of new faces, testing out the market with their own work in our Taster Stalls, located in Trinity Street.

A comprehensive list of all participants can be viewed on our website shortly, including their trading dates.
